# Aluminum/Steel Manual Hand Winch Lift Truck With Counter Balance 350 Lb. Capacity Silver/Blue

**MODEL A-LIFT-CB-EHP**

Ergonomic Solutions / Hand Winch Lift Trucks

## PRODUCT OVERVIEW

The hand winch lift truck is compact and designed to lift material to and from shelves, move office equipment, and install ceiling/wall appliances. It's constructed of durable steel-and-aluminum and a counterbalance design (counterweight included). Operated by a hand-crank winch that features a reversible handle and hold-down device for securing the carriage during transport. The non-adjustable forks can be inverted to provide different height ranges.

## KEY FEATURES

- Lightweight portable lifts are great for hundreds of applications
- Manual cable winch easily raises and lowers forks
- Counterbalance weight design keeps unit from tipping with heavy loads
- Hold-down device secures carriage during transport
