Steel Square Bollard with Cap 42 In. Yellow

MODEL BOL-SQ-42-4

Protective Barriers / Square Steel Bollard

PRODUCT OVERVIEW

The square bollard is perfect for an array of industrial settings, both indoors and outside. Constructed of steel for the utmost strength against collisions. It is also powder coated for a smooth finish and a quality appearance. The square design allows the user to better utilize surface space, while also securing vulnerable corners of structures. The flat surfaces are ideal for adding signs. Pre-drilled mounting holes are included for simple installation.

KEY FEATURES

- Easily attachable to a number of surfaces
- Brightly colored for visibility
- Strong finish minimizes work place abrasions
- Unit height gives safety to a large area
