Aerosol Can Crusher Deluxe 2 In. Bung Blue

MODEL CAN-RECY-DLX

Drum Handling Equipment / Aerosol Can Crusher

PRODUCT OVERVIEW

The aerosol can crusher uses air bag technology and is 100% air operated with 15 tons of crushing force, enough to shatter the mixing ball. The crusher has a cycle time of 25-60 seconds and requires air input of 120 psi. An outlet valve allows for draining and capturing liquid. Activated carbon filter absorbs contaminants and odors and a fume extractor directs gases outside of area. Greatly reduces disposal costs.

KEY FEATURES

- Reduces storage space of collected cans
- Completely air operated
- Crushes 2 aerosol cans by 98%
- Equipped with a timer and filter regulator gauge
