Stainless Steel12V DC Long Deck Cart 1000 Lb. Capacity Silver

MODEL CART-1000-LD-DC-SS

Ergonomic Solutions / Stainless Steel Scissor Carts

PRODUCT OVERVIEW

Standard scissor carts are great, but a stainless steel scissor cart is in a class of its own. With a powered hydraulic lift/lower feature, using this cart is not only extremely efficient but also ergonomically friendly. With just a push of a button the cart platform is a raised or lowered to the desired position. The sleek stainless steel design is simple to clean and limits needless scuffs or abrasions. Poly-on-steel casters roll effortlessly across a variety of surfaces.

KEY FEATURES

- Single scissor design
- High handle to minimize slouching during transportation
- Smooth rolling
- Robust capacity is great for handling products both large and small
