Stainless Steel 12V DC Double Cart 20-1/2 In. x 39-3/4 In. 1000 Lb. Capacity Silver

MODEL CART-1000D-DC-SS

Ergonomic Solutions / Stainless Steel Scissor Carts

PRODUCT OVERVIEW

Standard scissor carts are great, but a stainless steel scissor cart is in a class of its own. With a powered hydraulic lift/lower feature, using this cart is not only extremely efficient but also ergonomically friendly. With just a push of a button, the cart platform is a raised or lowered to the desired position. This model includes a double scissor design for when rising to extra heights is necessary. The sleek stainless steel design is simple to clean and limits needless scuffs or abrasions. Poly-on-steel casters roll effortlessly across a variety of surfaces.

KEY FEATURES

- Double scissor design
- High handle to minimize slouching during transportation
- Smooth rolling
- Robust capacity is great for handling products both large and small
