Stainless Steel Hydraulic Cart 15-3/4 In. x 27-1/2 In. 330 Lb. Capacity Silver

MODEL CART-330-SS

Ergonomic Solutions / Stainless Steel Scissor Carts

PRODUCT OVERVIEW

The Hydraulic elevating cart minimizes worker bending and lifting through its ergonomic design and portability. Material can be easily loaded onto a cart from a table, lowered to a safe transporting height, and raised to unload at destination. The unit moves easily on two swivel with brakes and two rigid casters. Foot pump pedal, pump assembly and hydraulic cylinder are chrome plated. The remainder of the unit is fully stainless construction.

KEY FEATURES

- Features a soft-lowering down valve
- Two-speed foot pump
- Rolls on four polyurethane casters
- Internal safety velocity fuse in each cylinder
