Steel Pick-Up Truck Cargo Bar 40 In. Gray

MODEL CB-PU-3

Loading Dock Equipment / Cargo Bars

PRODUCT OVERVIEW

The adjustable length cargo bar solves the problem with shifting loads in pick-up trucks and vans. Heavy-duty ratchet design easily secures cargo within the truck bed or can walls, and a fingertip mechanism offers easy release of the restraint bar. Articulating ends with rubber pads help prevent slippage. Durable tubular steel construction features a superior textured powder coat finish.

KEY FEATURES

- Solves shifting loads in pick-up trucks and vans
- Design easily secures cargo within the truck bed or can walls
- Fingertip mechanism offers easy release of the restraint bar
- Articulating ends with rubber pads help prevent slippage
