Steel Cargo Bar 1 Piece 119 In. Length x 3-3/4 In. Width x 24-1/2 In. Height With Hoops Silver

MODEL CL-H3-15

Loading Dock Equipment / Cargo Bars

PRODUCT OVERVIEW

Sometimes trailers can't be packed tight enough to stop items from jostling, which can lead to unnecessary damage and high replacement costs. Here to put an end to those problems even before they start; is a cargo bar with hoops. The hoops provide an upper and lower level of security in addition to the horizontal presence from the cargo bar itself, while the cargo bar is expandable to fit perfectly into the space parameters of the situation. An articulating square steel end plate is rubber padded for gripping action. Assembly is required, but hardware is included!

KEY FEATURES

- Manually adjusted by ratchet
- One piece design
- Square tubing construction is durable and lightweight
- Galvanized steel hoops
