

Steel Dolly Converter 5 In. x 12-11/16 In. x 39 In. 250 Lb. Capacity Black

MODEL D-CNVR-250

Industrial Carts & Dollies / Dolly Converter

PRODUCT OVERVIEW

Dolly converter is a great addition to the already functional dolly. The upright black handles support off balance and awkward loads, as well as give an ergonomically friendly height to the dolly. The units are sold in pairs and are pre-drilled. Hardware is included.

KEY FEATURES

- Steel converter arms transforms a dolly into a panel cart
- Ideal lightweight moving solution for industrial and commercial use
- Pre-drilled and ready to attach hardware
- Each unit is sold in pairs
