Steel Protective Dome Cover For 5.5 In. Bollards Yellow

MODEL DOME-5.5

Protective Barriers / Protective Dome Covers for Bollards

PRODUCT OVERVIEW

The protective dome cover is a great addition to existing bollards. The strong durable design can withstand environments, both inside and outside. The bright surface provides visibility to the unit and its surroundings from both near and far. For best use, the cover simply slides over the bollards to cover base plate and the mounting hardware. No hardware required.

KEY FEATURES

- Yellow powder coat finish for maximum resiliency
- Prevent accidents and injuries from people tripping over raised bolts
- Steel construction for sturdy long term use
- Looks better, cleans easier, and no punctured tires
