Steel Mobile Tilting Drum Dolly with Handle 30-7/8 In. x 30-7/8 In. x 6-1/4 In. 1000 Lb. Capacity Silver

MODEL DRUM-DRH-HR-TLT

Drum Handling Equipment / Tilting Drum Dollies

PRODUCT OVERVIEW

The tilting drum dolly is ideal for manufacturing and industrial facilities. The dolly creates an ergonomically friendly way of transporting 55 gallon drums. The steel construction design is lightweight, yet strong, for use in the harshest of environments, while, the hard rubber casters provide a smooth transition from work station to work station. The tilting feature is foot operated and is locked into place for secure handling during extraction.

KEY FEATURES

- Tilting drum dolly creates an ergonomic way of transporting 55-gallon drums for ideal operation
- Includes a handle that is lightweight and strong for maximum efficiency
- Includes a foot operated tilting feature which is ideal for ergonomic drum handling
- Tilt feature can be locked into place for secure handling during extraction
