Steel Double Sided Horizontal Bar Rack 30-1/4 In. x 30 In. x 83-7/8 In. 2600 Lb. Capacity Blue

MODEL DSHZ-4

Storage Solutions / Double Sided Horizontal Bar Rack

PRODUCT OVERVIEW

The double sided horizontal bar rack is ideal for use in maintenance departments, tool rooms, machine shops, and storage areas. Arms extend and act as dividers creating bays of storage. Arm levels can store material up to ten (10) feet long. Aligning two (2) units next to each other will allow for the storage of longer material. Bar rack has pre drilled lag down points.

KEY FEATURES

- Two sided arms provide additional storage capacity
- Slightly bent up arms prevent material roll off
- Pre-drilled lag down points make installation quick and easy
- Solid steel construction provides long lasting rugged use
