Deluxe Drum Positioner 41-5/16 In. x 5-7/8 In. x 6-1/16 In. Steel 600 Lb. Capacity Blue

MODEL DTP-11-DLX

Drum Handling Equipment / Manual Drum Upenders

PRODUCT OVERVIEW

Sometimes you will find that drums are not in their proper position and lifting or lowering those drums manually can be a dangerous job. To ease that burden, look for the manual drum up-ender! A drum up-ender provides the leverage needed for tilting horizontal drums to the vertical position. Designed with a narrow top plate this tool easily secures a variety of chimes. Built of durable steel with a baked in powder coat finish.

KEY FEATURES

- Two toothed design for quick maneuvering
- Wide toe-plate structure prevents denting on barrel sides
- Built in drum bung socket wrench
- Textured handle end for a secure grip
