

Aluminum One Piece E-Track 102 In. Extension Silver

MODEL EB-102

Loading Dock Equipment / Cargo Bars

PRODUCT OVERVIEW

The e-track for the cargo bar keeps trailer contents in place to eliminate damaged goods. It has a simple mechanical lock that will not vibrate loose. It is constructed of square tubing with a wall construction that is lightweight yet extremely strong. Square articulating steel end plates feature pads for positive gripping action. The bars have end plates and fit between trailer walls.

KEY FEATURES

- Keeps trailer contents in place to eliminate damaged goods
- Includes simple mechanical lock that will not vibrate loose
- Square tubing is lightweight yet extremely strong
- 7" telescoping end
