

Factory Installed Steel Manual Carousel For EHLT Models Blue

MODEL EHLT-ROTATE

Ergonomic Solutions / Manual Built-In Carousel for Scissor Tables

PRODUCT OVERVIEW

Position pallets, boxes, or crates without ever stepping around the table. This sleek flush mounted carousel smoothly rotates 360 degrees. A safety detent lock restricts carousel rotation when not in use. Easy to use operation. Maximum capacity is 4,000 lb. and the carousel adds 1" to scissor table service range. Carousel diameter is 45". Platform size must be 48" x 48" minimum. Scissor table not included and this option is for a new table purchase only. Other size carousels available.

KEY FEATURES

- Optional longer lip for ideal operation
- Ideal for a dock leveler unit for maximum efficiency
- Features durable construction for added strength and long life
- Use in industrial applications for optimal results
