Steel/Polyurethane Ergonomic Sitting Work Chair 22 In. to 32 In. Height Black

MODEL ESE-WC-2232

Ergonomic Solutions / Ergonomic Work Chair and Stool

PRODUCT OVERVIEW

An Ergonomic work chair is a wonderful asset for workstations across a variety of commercial environments. With a polyurethane material and steel construction, the stool is comfortable and easy to clean. The height adjustment feature gives the user the ability to lower or raise the chair to the perfect position. Plastic casters are included for quick movement in the work area. Foot pads and hardware also included, assembly required.

KEY FEATURES

- Adjustable back rest angle
- Ergonomic design
- Foot ring included for comfort and stability
- Swivel casters provide swift movement
