Steel Expandable Conveyor Roller 200 Lb. Capacity Silver

MODEL EXCNV-R-24-24

Ergonomic Solutions / Expandable Roller Conveyors

PRODUCT OVERVIEW

Expandable roller conveyor is the perfect asset for packaging and distributing facilities. The conveyor provides the user an ergonomically friendly way to transfer goods while minimizing the bending and twisting during shipping and handling. A strong construction provides strength for transferring large awkward products. The conveyor can be expanded to reach greater distances between packaging points. Once finished it can be retracted to fit in a condensed area.

KEY FEATURES

- Expandable for precise positioning
- Extended handle for simple maneuvering
- Collapsible for simple storage
- Large capacity for transferring a variety of objects
