Steel Manual Hydraulic Fork Truck Jack 43-1/4 In. x 7-7/8 In. x 36 In. 8,000 Lb. Capacity Gray

MODEL FORK-J

Ergonomic Solutions / Fork Truck Jacks

PRODUCT OVERVIEW

The manual Hydraulic Fork Truck jack is designed to raise fork trucks for maintenance. Features high-quality seals, chrome plated internal components, and rugged steel construction. This jack is manually raised by a hand pump lever and the lift height provides room needed to perform a variety of repairs. The removable handle and the compact size make it easy to maneuver and transport. Includes two (2) jack stands with holding pins for adjustable heights.
