Steel Low Profile Parts Hopper 1/2 Cubic Yd. 2,000 Lb. Capacity Blue

MODEL HOP-LP

Fork Truck Attachments / Low Profile Parts Hoppers

PRODUCT OVERVIEW

This unique Low Profile parts Hopper has been designed to function as a parts hopper that may be dumped with the assistance of a fork truck. The low profile design allows the hopper to be placed underneath machinery as a catch basin for parts. The newly designed hopper reduces the hazards, inconveniences, and time associated with collecting parts off the floor. Unit rolls smoothly on casters and includes a removable push handle. Once the material is dumped, the hopper will return to the locked position when lowered to the ground. The included safety restraint should be properly secured to a fork truck before dumping.

KEY FEATURES

- Special low-profile design catches parts under machinery dispensing chutes
- Unique design returns to upright & locked position when lowered to floor
- Safety restraint secures hopper to fork truck
- Two rigid, one swivel and one swivel with brake casters make the unit portable

CORE PRODUCT DATA

ASSEMBLED WEIGHT **292 lbs**	ASSEMBLED SIZE **48.4375" W x 54.0625" L x 34" H**	SHIP WEIGHT **296 lbs**
PACKAGE 1 SIZE **50" W x 54" D x 22" H**	COLOR / FINISH **Blue**	FREIGHT TYPE **LTL Loose**
