Polyethylene IBC Funnel 5 Gallon Capacity Black

MODEL IBC-F-5

Drum Handling Equipment / IBC Funnel

PRODUCT OVERVIEW

Do you want to transfer liquids to your IBC, but are consistently cleaning up spills? If so, then it's time for an IBC funnel. The funnel lies directly on top of the IBC and locks into place. The large area not only allows for quick pouring of liquids, but also shares enough space for rags, towels and gloves to drain as well. The integral strainer design fits directly into the IBC tote for a clean and simple transfer!

KEY FEATURES

- Polyethylene construction
- 5 gallon capacity
- Built-in strainer
- Chemical and corrosion resistant
