Steel Portable Work Site Lift 500 Lb. Capacity Yellow

MODEL LIFTER-2

Ergonomic Solutions / Portable Worksite Lift

PRODUCT OVERVIEW

The portable work site lift is ideal for positioning loads where they are needed. It includes a lifting platform and an overhead lifting boom for unique applications. It features a manual hand crank cable winch with hook. Portability is easy with the phenolic swivel casters and a push handle. The unit knocks down in four pieces- base, platform, upright, and boom. It's ideal for storage in tight places and for transportation in the back of a vehicle.

KEY FEATURES

- Portable lift is ideal for positioning loads where they are needed
- Includes lifting platform and an overhead boom for unique applications
- Features phenolic swivel casters and a push handle for easy portability
- Knock down design is ideal for storage in tight places
