Steel Fork Truck Hook Plate Swivel with Latch 10,000 Lb. Capacity Yellow

MODEL LM-HP10-SL

Fork Truck Attachments / Hook Plates

PRODUCT OVERVIEW

A lift-master hook plate is wonderful asset for securing and lifting heavy loads. With a strong steel construction the lift is easily maneuvered by utilizing the two fork slots. A centrally located hook and latch are also included for simple securing of the product being lifted. A sleek, compact design takes up minimal room when not in use. A centered built in handle is great for lifting and moving by hand.

KEY FEATURES

- Two fork slots for simple lifting
- Hook and latch for securing load
- Powder coated finish
- Center handle for maneuvering by hand
