Steel Knockdown Mezzanine Safety Gate 87-3/16 In x 96 In x 87-9/16 In Yellow

MODEL MEZZ-KD-88T-93D

Protective Barriers / Mezzanine Safety Gates

PRODUCT OVERVIEW

This mezzanine safety gate provides an OSHA required 42" high handrail. To accommodate the load height when utilizing a standard 48"W x 48"D pallet load positioning within the gate is critical. For greatest amount of clearance and item placement flexibility, shorter loads are recommended. Gate design is balanced to allow for easy operation without use of springs. Construction is welded steel with a baked-in powder-coated finish for increased toughness. Ships knockdown to the customer. Wooden cross rails are not included and must be supplied by the customer.

KEY FEATURES

- Access to mezzanines with safety first concept
- Manually operated gate rotates to allow access mezzanine
- Heavy-duty welded steel construction provides long lasting use
- Powder coat safety yellow finish offers an attractive appearance
