Steel High Profile Mechanical Post Table 18 in X 28 in 1000 lb Capacity Blue

MODEL MT-1828-HP

Ergonomic Solutions / Mechanical Post Tables

PRODUCT OVERVIEW

The mechanical post table was designed with ergonomics as a priority. With a high profile structure, the unit can be positioned to the desired height that best fits the user's needs. Includes bolted on adjustable floor lock. The steel construction provides the table with a robust capacity for easily moving boxes from the assembly line or heavy items from the shop.

KEY FEATURES

- Poly on steel casters with floor locks
- Floor locks provide loading/unloading stability
- Open design for loading from all four sides
- Painted smooth finish
