Steel Medium-Duty Single Sided Cantilever Uprights for 12 In. Arms 10 Ft. 7,100 Lb. Capacity Blue

MODEL MU-C-10-12

Storage Solutions / Medium-Duty Cantilever Racking

PRODUCT OVERVIEW

The Medium Duty Cantilever rack with single-sided upright is ideal for manual loading; open design allows easy forklift accessibility. Store bar stock, pipe, tubing, lumber, and other light hard-to-stock items that must be kept off the floor. Arms are adjustable up and down the full length of the upright. To adjust, align arms with pre-drilled slots and secure with key lock (included). All arms feature lips to prevent product from falling off. Uprights and arms are sold each, not in pairs. Custom rack systems can be designed for your special application.

KEY FEATURES

- Ideal for manual loading and easy forklift accessibility
- Store items that must be kept off the floor
- Arms are adjustable up and down the full length of the upright
