Plastic Interlocking Barrier 15-1/2 In. x 59 In. x 40 In. Yellow

MODEL PHR-Y

Protective Barriers / Plastic Interlocking Barriers

PRODUCT OVERVIEW

Plastic interlocking barriers will not rust and will retain attractive appearance. Reflective red tape provides better identification at night. Barrier ends include connectors for interlocking multiple units. The non-removable feet come pre-filled with sand for weight ballast. Feet can be rotated to allow for barriers to be stacked. Manufactured from hope material and includes UV stabilizer for longer life. Ships and stores assembled.
