Steel Pramac Stacker with Adjustable Forks and Legs 69 In. x 50 In. x 82 In. 2000 Lb. Capacity Blue

MODEL PMC-VHPS-2000-AA

Ergonomic Solutions / Manual & Electric Stackers (Pramac)

PRODUCT OVERVIEW

The variable height stacker is great for a variety of warehousing departments. The unit is constructed of steel for strong support and durability during day to day use. The color is bright for high visibility from across crowded workplaces. The manual hand pump functionality is perfect for rising to precise positions. To use, simply slide forks of the unit through the pallet openings and lift to desired height.

KEY FEATURES

- Adjustable forks for simple alignment
- Manual lift for precise positioning of loads
- Two upright handles for quick maneuvering
- Wide service range for a variety do settings
