Steel Gas Powered Trailer Mover 71-7/8 In. x 50-1/2 In. x 51-3/16 In. 12000 Lb. Capacity Blue

MODEL PTM-GPT

Industrial Carts & Dollies / Gas Powered Trailer Mover

PRODUCT OVERVIEW

Gas power trailer mover is compact in size and easy to use. They are highly maneuverable, making them ideal for turning in tight spaces not recommended for use on an incline or slope. Gasoline engine combined with a hydrostatic transmission provides variable speed control and generous low speed torque for precise positioning. Rugged front foam filled tires with aggressive tread pattern provide service on unpaved surfaces. Engine powered hand lever lifts and lowers ball hitch. Three size ball hitch quickly converts to common sizes. Ball sizes; 1?", 2" and 2-5/16".

KEY FEATURES

- Gas power trailer mover is compact in size and easy to use
- Ideal for turning in tight spaces making it highly maneuverable
- Hydrostatic transmission provides variable speed control for precise positioning
- Rugged foam filled tires with tread pattern are for unpaved surface
