Recycled Nestable Pressed Wood Pallet 40-1/4 In. x 48-1/4 In. x 5-11/16 In. 2000 Lb. Dynamic Capacity Brown

MODEL PWP-4840

Packaging Equipment / Recycled Nestable Presswood Pallets

PRODUCT OVERVIEW

The Nestable press wood pallet is great for hundreds of applications. The special nestable design allows for stacking for storage. The rounded corners increase life expectancy and the lightweight design weighs sixty (60) percent less that conventional wood pallets. Does not contain any nails or staples and is manufactured from recycled wood, which is environmentally responsible.

KEY FEATURES

- Nestable design allows for stacking for storage
- Rounded corners increase life expectancy
- Made of a urea base resin
- Doesn't contain any nails or staples and is manufactured from recycled wood
