Low Density Polyethylene Plastic Pyramid Sign Base with Steel Pole 22 In. x 22 In. x 98 In. Black

MODEL PYSB-BK

Facilities Maintenance / Sign Base Systems

PRODUCT OVERVIEW

This pyramid sign base with pole is an affordable and convenient solution to adding safety to your facility. This light weight system makes for easy off-loading and set-up, compared to the cement sign base. This unit may be used in permanent application and has very low maintenance. Fill the base with concrete, sand or gravel.
