

Steel Rough Terrain Electric Pallet Truck DC Powered AC Drive Motor 48 In. Inside Width 2000 Lb. Capacity Black / Yellow

MODEL RT-EPT-2-48

Ergonomic Solutions / Electric Powered Rough Terrain Pallet Trucks

PRODUCT OVERVIEW

An all-terrain pallet truck is the perfect outfit for moving heavy loads over a variety of landscapes. The simple functionality of the unit allows the user to maneuver the truck, both loaded and loaded, easily. Driving handle is centrally located with functions both on and underneath the handle, located directly on the front console. Functions include an easy to operate throttle with infinite adjustment of forward/reverse speeds, lift/lower controls, emergency reverse-function and horn. Emergency reverse belly switch instantly reverses direction and moves the unit forward (away from the operator). Forks are adjustable to best fit the users needs.

KEY FEATURES

- Great for indoor or outdoor use
- Large wheels allow use on a variety of surfaces
- Emergency reverse belly switch instantly reverses direction
- Simple lifting and lowering operation
