# Steel Manual Rough Terrain Stacker 62 In. Raised Height 2,000 Lb. Capacity Yellow

**MODEL RT-MS-62-AF**

Ergonomic Solutions / Rough Terrain Stacker

## PRODUCT OVERVIEW

A rough terrain stacker is capable of going where other stackers can't. The manual design benefits the user by giving precise movement of the unit in particular areas. A simple handle pump lifts and lowers, without the need for mechanical power. Just a simple hydraulic action leads the forks up or down to the desired height. The rubber tires provide stability when traversing rough or uneven surfaces. Baked in yellow powder coat finish.

## KEY FEATURES

- 2.125" to 62" service range
- Wide, straddle based design
- Adjustable forks
- Full height wire-mesh back guard
