Steel Narrow Manual Rough Terrain Stacker 59 In. Raised Height 1,500 Lb. Capacity Yellow/Black

MODEL RT-NMS-60-AF

Ergonomic Solutions / Rough Terrain Stacker

PRODUCT OVERVIEW

A rough terrain stacker is capable of going where other stackers can't. The narrow design provides precise movement in condensed areas. A handle pump design lifts and lowers, without the need for mechanical power. Just a simple hydraulic action leads the forks up or down to the desired height. The rubber tires provide stability when traversing rough or uneven surfaces. Baked in yellow powder coat finish.

KEY FEATURES

- 59" raised height
- Wide, straddle based design
- Adjustable forks
- Full height wire-mesh back guard
