Steel Rough Terrain Powered Stacker 62 In. Raised Height 3,000 Lb. Capacity Black

MODEL RT-S-62-AF

Ergonomic Solutions / Rough Terrain Stacker

PRODUCT OVERVIEW

When goods have to be transferred over uneven and rough surfaces, look no further than the electric powered rough terrain stacker. With its large front and back rubber tires this unit can easily be used both indoors and out. A multi-function driving handle features an infinite speed adjustment, simple controls for finding the perfect height, and an emergency reverse function. Emergency reverse belly switch instantly reverses direction and moves the unit forward (away from the operator). Forks are adjustable to precisely fit what is being maneuvered. And, even more, the unit is equipped with batteries, integral battery charger, horn and battery level indicator.

KEY FEATURES

- Large usable width to transfer a variety of product sizes
- Diverse height ranges to meet users needs
- Robust capacity to maneuver items, both big and small
- Wide wheel base for added stability
