Steel Single Drum Gripper Attachment 700 Lb. Capacity Black

MODEL S3-SDG-RF

Ergonomic Solutions / Double Mast Stackers with Powered Drive and Powered Lift

PRODUCT OVERVIEW

Sometimes different jobs call for different attachments. With the compact stacker single drum grab attachment, lifting drums is simple. A quick connection to a new or existing compact stacker lets the user start picking up and maneuvering drums almost immediately. A strong steel construction gives the ability to lift drums of a variety of weights. Powder coated for built in toughness.

KEY FEATURES

- Secure connection to drums
- Simple attachment for quick use
- Sleek finish to limit abrasions
- Design minimizes manual lifting
