Steel Electronic Digital Floor Scale 48 In. x 48 In. x 4-1/2 In. 10,000 Lb. Capacity Blue

MODEL SCALE-S-CFT-44-10K

Packaging Equipment / Electronic Digital Floor Scales

PRODUCT OVERVIEW

The electric digital floor scale has a low profile, allowing easy loading and unloading of heavy equipment. Indicators include lead cable and A/C adapter. The rugged design has a tread plate top surface. Customer is responsible for contacting the local weights and measures department or a state certified scale dealer before putting legal for trade (NTEP) scale into service for certification, and is responsible for re-certification as required by local codes by certified personnel. Legal for trade in US only- not legal for trade in Canada.

KEY FEATURES

- Low-profile design allows easy product loading and unloading
- Adjustable-height legs allow use on uneven floors
- Programmable scale reads in multiple units of measure
- Solid steel construction offers long lasting rugged use
