Steel Self Dumping Bin 2 Cubic Yard 6,000 Capacity Blue

MODEL SDB-200-6

Overhead Lifting / Overhead Self Dumping Bin

PRODUCT OVERVIEW

A self-dumping bin creates an efficient way of maneuvering heavy loads between construction areas. A deep design with high side walls make it simple for items both large and small to be safely transferred. The overhead lifting bar with a pre-cut center opening enables secure lifting by the preferred heavy lifting equipment. Lever release design ensures safety as well as effective unloading of contents.

KEY FEATURES

- 2 Cubic yard capacity
- Weight actuated, self-dumping design
- Smooth powder coat finish provides rapid unloading of all contents
- Quick release/lock for safe movement
