Steel Fixed Stacker with Powered Lift 118 In. Raised Height 2,000 Lb. Capacity Black / Yellow

MODEL SL-118-FF

Ergonomic Solutions / Stacker with Powered Lift

PRODUCT OVERVIEW

The stacker powered lift is a semi-electric stacker with a powered lift that will raise and lower loads quickly and easily. The manual push operation stacker is made using high quality material and parts. The stacker is easily maneuvered using the standard pulling handle. The stacker is highly efficient and durable. It features an integral battery charger and battery level gauge. The unit works with skids only and features fixed forks along with fixed support legs.

KEY FEATURES

- Powered fork height adjustment provides user friendly adjustment
- Pivoting steering handle allows for easy pushing or pulling
- Battery level gauge allows operator to monitor battery life
- Steel construction offers highly efficient and durable use
