Steel Gantry Sling Rack Mobile or Stationary with Kit 39 In. x 77-1/16 In. x 78-7/16 In. 2,000 Lb. Capacity Blue

MODEL SLR-UM-6

Overhead Lifting / Gantry Sling Racks

PRODUCT OVERVIEW

Gantry sling racks are a great addition to any manufacturing and industrial facility. The strong steel construction, with a baked in powder coat finish, adds toughness and allows for hanging of items both large and small. The lower rack is adjustable to different heights to better suit the user's needs. The included hooks enable the user to hang items from both sides and in offset positions due to their adjust ability. This sling rack can be utilized as a stationary or portable unit. Casters and mounting pads are included for the user to choose the desired function type.

KEY FEATURES

- Bright finish for high visibility
- Robust assembly for long term use
- Portable unit for easy transferring
- Accessible from both sides
