Steel Strapping 5/8 In. 2,360 Ft. 23 In. x 23 In. x 2-1/2 In. Black

MODEL SS-58-HS

Packaging Equipment / Steel Strapping

PRODUCT OVERVIEW

The high strength steel strapping is a great addition to the shipping and material handling departments. The unit provides a method of securing objects together for bulk and oversized shipping. The robust construction design withstands harsh conditions and environmental circumstances. For best use, position the products in the desired dimensions. When items are in preferred proportions wrap the steel strapping around the products to a snug fit. Steel strapping tools are not included.

KEY FEATURES

- Provides strong reinforcement for demanding jobs
- Ideal for general packaging, bundling, and palletizing
- Steel construction for strength
- Black in color
