Stainless Steel Shelving 36 In. x 24 In. 600 Lb. Capacity Brushed Silver

MODEL SSS-2436

Storage Solutions / Stainless Steel Shelving

PRODUCT OVERVIEW

This stainless steel shelving is an open-style storage solution designed to bring reliable organization to cluttered environments. Crafted from 304 stainless steel with a sleek brushed silver finish, this unit seamlessly balances durability with appearance. Its solid-shelf layout ensures maximum structural strength, keeping smaller components or containers fully stable without the risk of items slipping through cracks. Engineered to maximize vertical capabilities, it features a round-post design allowing users to adjust shelf spacing vertically in precise increments to accommodate a variety of differently sized items.

KEY FEATURES

- Customizable shelf spacing
- Slim design works well in narrow work areas
- Stainless steel construction will not rust
- Design is accessible from all sides
