Steel Retrofit Power Mast Wrap Machine 80-9/16 In. Wrap Height Blue / Yellow For Use With Model SWA-50

MODEL SWA-5070LP-PMO-RF

Packaging Equipment / Powered Stretch Wrap Machines

PRODUCT OVERVIEW

The powdered mast option is a wonderful addition to the powered stretch wrap machines. The unit creates a more ergonomically friendly work environment with the diminished amounts of bending and twisting that comes along with wrapping products. The unit contains a strong construction that is durable and long lasting throughout constant use. The bright colored design allows for the unit to be observed in crowded work areas.

KEY FEATURES

- Bright color for clear visibility
- Stout construction for durability
- Powered design for less bodily strain
- Provides the ability to wrap products in a quicker manner
