Steel Roll Fork Attachment For VHPS Models Black

MODEL VHPS-NM-AA-RFK

Ergonomic Solutions / Manual & Electric Stackers

PRODUCT OVERVIEW

A roll fork is a wonderful accessory to the narrow mast manual stacker. With a resilient design, the fork provides a more resourceful way to handle rolls. When the fork is in place and the roll is secured, the user is able to maneuver heavy rolls efficiently to the desired location.

KEY FEATURES

- Smooth finish minimizes abrasions
- Design length enables use with a variety of sizes
- Simply attached
- Robust steel construction
