Steel Drum Retention Basin 49 In. x 27 In. x 14 In. 1,200 Lb. Capacity Yellow

MODEL VSRB-YL-2

Drum Handling Equipment / Vertical Steel Retention Basins

PRODUCT OVERVIEW

Store steel drums in the vertical position with this non-flammable heavy-duty, one-hundred (100) percent recycled, vertical steel retention basin. The basin is constructed of steel to resist extreme heat environments. The rugged steel construction provides durability and repairability. Four way fork entry. Basins are stackable when empty to provide more space in a warehouse or storage area.

KEY FEATURES

- Store fifty-five gallon steel drums in the vertical position
- Non-flammable heavy-duty basin can resist extreme heat environments
- Rugged steel construction provides durability and repairability
- Stackable when empty and features four way fork entry to maximize space
