

Steel Multiple Person Work Platform 40 In x 120 In 1,800 Lb. Capacity Yellow

MODEL WP-40120

Fork Truck Attachments / Multi-Person Work Platforms

PRODUCT OVERVIEW

Multi-person work platforms quickly and safely raise maintenance personnel where they are needed giving you a larger size platform to accommodate your application. The work platform attaches to fork truck by inserting forks into fork pockets and securing platform to fork truck. This work platform is made of square tube construction, base and side curbs are formed from one piece of heavy gauge sheet for extra strength. Deck has slip resistant surface, and fork pocket openings. Safety pins behind each fork and heavy duty chains welded to back frame of platform which secure around the fork carriage. Hinged gate on the front of the unit, with pin safety lock built in. Painted safety yellow.
